GRAND TOUR MAZES

Routes Across Disney's Wonderful Classic Stories

Disney Grand Tour Mazes contains twenty-five big mazes, from simple to more advanced. Each maze is set in the map of a Disney or Pixar movie world. As you play, you will recognize many of your favorite characters, buildings and locations.

When you reach the exit of each maze, you'll also have the chance to look and find ten details featured in that movie map.

Turn the page and start your journey!

Flik looks forward to meeting with Princess Atta and thinks the quickest way to reach her is to float on a dandelion seed. But he's very likely to get in trouble without your help finding the right way!
